The RIHCT is a Charitable Trust that is governed by its Trustees who keep an eye on the work we are doing and make sure it does not go outside what it is able to do under the Trust Deed. The Trustees can appoint or remove advisors and Trustees as necessary.

There is an executive council which is the actual working body of the Trust. It is responsible for the day to day management – memberships, accounts, newsletters, volunteers etc. These roles are currently filled by Trustees but it would be nice if other members would consider filling some of these roles or be part of a sub committee.

It is the positions on the executive council that are called for at the AGM. Please consider putting your names forward on the enclosed form if you are interested. We meet as a committee on a monthly basis and if the work is shared it is not an onerous task.
